## FOR IMMEDIATE RELEASE

### **AFRA Announces Newly Elected and Appointed Board of Directors**

**Washington, DC** – AFRA announced the election of three individuals to its Board of Directors during the Association’s Annual Meeting on June 6, 2022, in Broomfield, Colorado.

Joining the Board of Directors for a three-year term are:

- Bettina Berger, GOAL German Operation Aircraft Leasing GMBH & Co. KG
- Barry Barnes, ComAV Technical Services, LLC
- Pedro Lama, Aviation International Recycling, S.L

Additionally, AFRA appointed James Cobbold, Willis Aircraft Maintenance & Storage to serve a one-year term on the AFRA Board of Directors. Will Pitcher, Boeing Global Services has been appointed to fulfill the remainder of the term for Sean Newsum, Boeing Commercial Airplanes who is retiring.

AFRA is pleased to welcome these individuals to the Board of Directors and looks forward to their participation and contributions to the progress of the Association.

The current AFRA Directors and Officers are as follows:

**AFRA President and Treasurer** Brent Webb, CAVU Aerospace

**AFRA Vice President** Bettina Berger, GOAL German Operation Aircraft Leasing GMBH & Co. KG

**AFRA Secretary** James Cobbold, Willis Aircraft Maintenance & Storage

Mike Corne, eCube Solutions

Meghan Burgan, GA Telesis LLC

Scott Austin, Air Salvage International Ltd.

Manuel Lopez, Jet Aircraft Services

Pedro Lama, Aviation International Recycling, S.L.

Barry Barnes, COMAV Technical Services, LLC

Will Pitcher, Boeing Global Services

Fabian Nagel, Lufthansa Technik AG

### **About AFRA**

AFRA is the leading global organization for developing and promoting the safe and sustainable management of end-of-life aircraft and components. It is a membership-based global Association to elevate industry performance and increase commercial value for end-of-service aircraft. For more information on AFRA activities, programs, and initiatives, please visit us at [www.AFRAassociation.org](http://www.AFRAassociation.org).
